The RENI workshop is intended for anyone interested in becoming more successful in life, specifically, when investing in Real-Estate. No prior Real-Estate or other knowledge is required.

MORNING SESSION

How to achieve extraordinary results in life

8:30am Gathering

9:00am Personal Development

12:30pm Lunch - Snacks served

In this segment we learn the methodology for being successful in life.

We discuss the human operating system and investigate various obstacles which may be preventing us from being successful. We define and work on setting worthy goals and introduce tools which enable us to manifest the results we want. Lastly, you will explore your own Real-Estate Investor profile to help you devise your own Real-Estate investment strategy.

AFTERNOON SESSION

Harnessing the forces behind Real-Estate Investing

1:00pm Real-Estate Investment Strategy

2:00pm Real-Estate financing - Guest speaker RBC

4:30pm End of workshop.

In this segment we review the basics of local economics and the Real-Estate financing landscape. We take a close look at the local Real-Estate market, with a focus on investment opportunities. We familiarize ourselves with tools such as the three "Levers" of value necessary for investing. We examine specific real-life Real-Estate case studies in detail and identify investment opportunities suitable to your personal Investor profile.
